Dear Friends and Supporter,

With great pleasure, the PLM Families Together Board of Directors announces Beth Bordeaux as our newest Executive Director. Ms. Bordeaux has a passion for serving those in need, encouraging healthy relationships, working in community and working from a perspective of ministry.

Beth Bordeaux comes to us from GTM Evaluation & Planning, Inc., a consulting company serving human service organizations and faith communities. Ms. Bordeaux has an MSW from UNC-Chapel Hill and has over 20 years of experience working in a Social Work capacity, initially providing case management and education in public health and mental health settings and later working to develop and enhance service systems. She has served the past 12 years in the public and private sectors providing management, technical assistance and consulting services in capacity building, planning, evaluation/quality improvement, organizational development and staff development.

Ms. Bordeaux has extensive experience cultivating volunteer leadership and recently published an article on volunteerism (*What Volunteers Value, What They Need*) in the Fall 2009 edition of the NC Center for Nonprofits newsletter, *Common Ground*. She has worked with Smart Start, community colleges, large and small nonprofits, county and state agencies, faith communities and community collaboratives. She is an excellent program evaluator and visionary leader. We are fortunate to have her join our team.

Beth began service with PLM Families Together on April 19, 2010. You can reach her at execdir@plmft.org or 919-212-4181. Please join us in welcoming her to our staff and to this greater network of partners and supporters who have given so much to help families stay together while obtaining sustainable housing.

Sincerely,

David Rowe,
Board President
